ANGA

A great magazine ... and great books

Are you into music? Would you like to create musical masterpieces on your Amiga?

Have you ever thought about getting up and running on the information superhighway?

On the May 1996 and June 1996 issues of CU Amiga Magazine we published these free 100 page guides to music and the Internet

with accompanying cover disks containing relevant software. If you haven't already got one of these issues turn to our back issues page now for details on ordering them, or phone our back.
